### PROFILE

Experienced Graphic Designer with over 5 years in the field, seeking opportunities in graphic and web design roles. Proven expertise in creating visually captivating designs for both print and digital platforms, adept at utilizing industry-standard tools. Committed to delivering high-quality, on-brand solutions that elevate user experiences and contribute to the success of a dynamic team.

### EXPERIENCE

#### Cashier

#### McDonald's Canada

#### 2023 – till date

Effectively handled cashier responsibilities at McDonald's Canada, ensuring smooth and efficient customer transactions. Managed and maintained the cash register, processed orders accurately, and provided excellent customer service. Collaborated with team members to uphold service standards and contribute to a positive dining experience while adhering to company policies and procedures.

#### Graphic Designer and Multimedia Assistant

#### Learning Technology Services, UIT, York University

#### May 2023 – September 2023

As a Graphic Designer and Multimedia Assistant at Learning Technology Services, UIT, York University, I played a pivotal role in enhancing visual communication and design initiatives. Collaborated with cross-functional teams to design banners and posts for the website, contributed creative ideas for event materials, and executed website frontend UI design. Additionally, I took a lead role in developing the website for 3D Eduhub, including the creation of a distinctive logo and all

### Junior Developer

### GO Learning BD, Bangladesh

### April 2022 – December 2022

Contributed as a Junior Developer at GO Learning BD, an edutech startup in Bangladesh, by actively engaging in the development of Android applications using Flutter. Played a key role in designing the UI and enhancing the UX of the company's website, collaborating effectively with cross-functional teams. Successfully developed and maintained website functionalities, showcasing strong teamwork and time-management skills. Maintained open and effective communication with fellow developers, ensuring a cohesive and productive work environment.
